

# RESOLUTIONS

adopted by the ECONOMIC AND SOCIAL COUNCIL

during the first part of its nineteenth session from 29 March to 7 April 1955

---

Requests the Secretary-General, in the light of the study on industrialization in under-developed countries and the improvement of industrial production in developed countries, to prepare and submit to the Commission on Economic and Social Development a preliminary examination of the report on Processes and Problems of Industrialization in under-developed countries and to send the working papers prepared by the Commission on Economic and Social Development to the Secretary-General for his study on industrialization in under-developed countries and the improvement of industrial production in developed countries.
