The lines connecting, respectively, points 25 and 26, 32 and 33, 35 and 36, as well as 40 and 41 have been drawn on the proviso that they are subject to pertinent agreements with the neighbouring States concerned in each case.

The Government of the Federal Republic of Germany will, at an appropriate later time and upon consultations, decide on the final positions of the points indicating the lateral delimitation of the exclusive economic zone of the Federal Republic of Germany towards the Kingdom of the Netherlands (point E₀ in the North Sea) and towards the Kingdom of Denmark (point S₀ in the North Sea and point 1 in the Baltic Sea), as well as on the delimitation of the exclusive economic zone landward of each of these three points.

The details of application of the provisions of article 5(2) of the Treaty concluded on 22 May 1989 between the German Democratic Republic and the Polish People's Republic on the delimitation of their respective maritime areas in the Bay of Pomerania shall be subject to settlement at an appropriate later time and upon consultations with the Republic of Poland.

The above coordinates are given on the proviso that they are subject to a more precise calculation by the Federal Ministry of Transport (if and where appropriate) using the latest methods. Any such calculation shall be announced through official channels, and shall be incorporated in the official Maritime Boundaries Charts.
