Caribbean Regional Seminar on the Implementation of the 2001-2010 Decade for the Eradication of HIV/AIDS and Other Communicable Diseases

1999-2000

1. The Caribbean Community (CARICOM) is pleased to announce that the Caribbean Regional Seminar on the Implementation of the 2001-2010 Decade for the Eradication of HIV/AIDS and Other Communicable Diseases will be held in Barbados from 10-14 October 2000. The seminar will be held at the Barbados Convention Centre, Bridgetown, Barbados. The seminar is being organized by the Caribbean Community Secretariat, in cooperation with the Caribbean Community Health Ministers' Meeting and the Caribbean Community Health Ministers' Meeting.

Objectives of the Seminar

The seminar will provide an opportunity for Caribbean health ministers and officials to discuss the implementation of the 2001-2010 Decade for the Eradication of HIV/AIDS and Other Communicable Diseases. The seminar will also provide an opportunity for Caribbean health ministers and officials to discuss the implementation of the Caribbean Community Health Ministers' Meeting. The seminar will be held in Barbados from 10-14 October 2000. The seminar is being organized by the Caribbean Community Secretariat, in cooperation with the Caribbean Community Health Ministers' Meeting and the Caribbean Community Health Ministers' Meeting.
