Subject: RE: Language proposals for 19 September outcome document - before Wed 27 July 3 pm

Comments Japan raised on 25 July.

(Annex I 3) add "and people-centered" after "comprehensive"

(Annex I 5, fifth bullet) replace "refugees" with "women"

(Annex I 16-18) we would like to know what the expected added values of the Refugee Global Compact from the CRRF are.
