

Mr. Chairman,

We are pleased with the report of the Secretary-General tabled for consideration on this agenda item.

2. Nigeria acknowledges the importance of the Programme of Assistance as one of the tools that assist in providing understanding of the complex issues in the world. We are of the view that the Teaching, Study, Dissemination and Wider Appreciation of International Law would contribute to greater

the resources proposed in the regular budget for the biennium 2018-2019. We hope this would be adequate to enable the Programme achieve its purpose and objectives.

Regional Course helped the participants in deepening their
understanding of
