

workers and other front-line workers, as well as older adults, and those of any age with underlying health conditions.

Please note that the Programme is primarily a workplace occupational health programme to allow UN Personnel to stay and deliver on mandates with confidence. As such, active workers in high-risk occupations will be prioritized, and retirees may not have access to vaccine in the first rounds.

It should be noted that all UN personnel receiving the vaccines from national authorities should adhere to the local health authorities' directives on prioritization of individuals. While WHO makes recommendations for prioritization, not all countries follow exactly the sequence outlined in the [WHO prioritization roadmap](#).

4. HOW DO I REGISTER FOR MY VACCINATION?

The [UN System-Wide Covid-19 Vaccination Programme](#) uses the Everbridge platform to register eligible retirees for the vaccination rollout in their countries of residence (as on file with their responsible pension plans).

There are two ways in which a retiree can register on the Registration Platform:

If your data was preloaded by your sponsoring organization/pension plan (e.g. UNJSPF), you will receive an independent link by email to review your information and complete your registration; or

If you are part of the eligible retiree population, however, your data could not be preloaded by your sponsoring organizations/pension plan, you will be able to self-register on the registration platform. If you are unsure whether your data was preloaded, please [contact the Local Vaccination Deployment Team/ Coordinator](#) in your country of residence, to confirm with them.

them whether self-registration is open for your country/duty station and provide you with a link to the self registration platform.

5. WHOM SHOULD I CONTACT IF I HAVE QUESTIONS?

The UN vaccination programme is managed and coordinated by the UN Department of Operational Support. The UNJSPF is merely a data provider for this initiative and does not take part in the decision-making processes pertaining to the vaccination programme. As such, the Fund is **not** in a position to answer queries about the programme.

Eligible UN system retirees should [contact the Local Vaccine Deployment Team/Coordinator in their country/duty station for questions or email covidvaccine@un.org.](#)

6. WILL THE VACCINE BE FREE OF CHARGE / COVERED UNDER THE MEDICAL INSURANCE PLANS?

Yes. Similar to other vaccines, coverage of the vaccine is foreseen under the medical plans

- ◁ Reports of TTS following vaccination with the J&J vaccine have a simccination with the J&J vaccin

14. WHAT IF I HAVE MORE QUESTIONS?

- < For questions please contact [the Local Vaccine Deployment Coordinator](#) in your location.
- < You may also write to covidvaccine@un.org
- < Please see UN System-wide COVID-19 Vaccination Programme FAQs in English [here](#), and in French [here](#).
- < Additional information about the Programme on un.org [here](#).
