

New York, 31 May 2024

Excellency,

Reference is made to the letter of the Co-Facilitators of the intergovernmental process for the Declaration on Future Generations, dated 3 May 2024, with which we transmitted the compilation of written inputs to the zero draft submitted by Member States and Observers on 19 April 2024.

We take this opportunity to express our gratitude to all delegations for their active engagement in the first reading of the zero draft of the Declaration on Future Generations, held on 14 and 17 May, with the compilation document as a resource. The collaborative spirit and constructive feedback received underscore our shared dedication to creating a sustainable and inclusive future for all.

We look forward to your continued engagement.

Please accept the assurances of our highest consideration.
